9 Ways We Can Bring a Web 2.0 Approach to Your Internet Marketing:

- 1 Our cutting edge Web technology delivers the most **qualified traffic**. Period.
- 2 Renters find 407apartments.com so **easy** to use that it's hard for them not to find an apartment.
- 3 We're **hyper-local**, giving Orlando renters an Orlando source for finding apartments.
- 4 We're totally plugged into your **social media**, not just linking to, but feeding from your **Facebook** fan page and **YouTube** presence.
- 5 We focus on SEO so you don't have to (or even know what SEO means). The last time we checked, we were on the first page of Google for over **5,421 different keyword terms**, all relating to Orlando Apartments.
- 6 **We hate apartment reviews** more than you do, so we just write our own. Want one?
- 7 We track and report on **16 key statistics** so that you'll renew us next budget season. 😊
- 8 We were **built by apartment managers** for apartment managers. Do you have an idea for us?
- 9 Call us techies or dorks, but we have a **passion for Internet marketing**, and we love to share our knowledge.

407apartments.com is
Orlando's top local ILS.
